

**GALVANIZED STEEL / POWDER COATED  
VRF / VRV PROTECTIVE GUARDS**

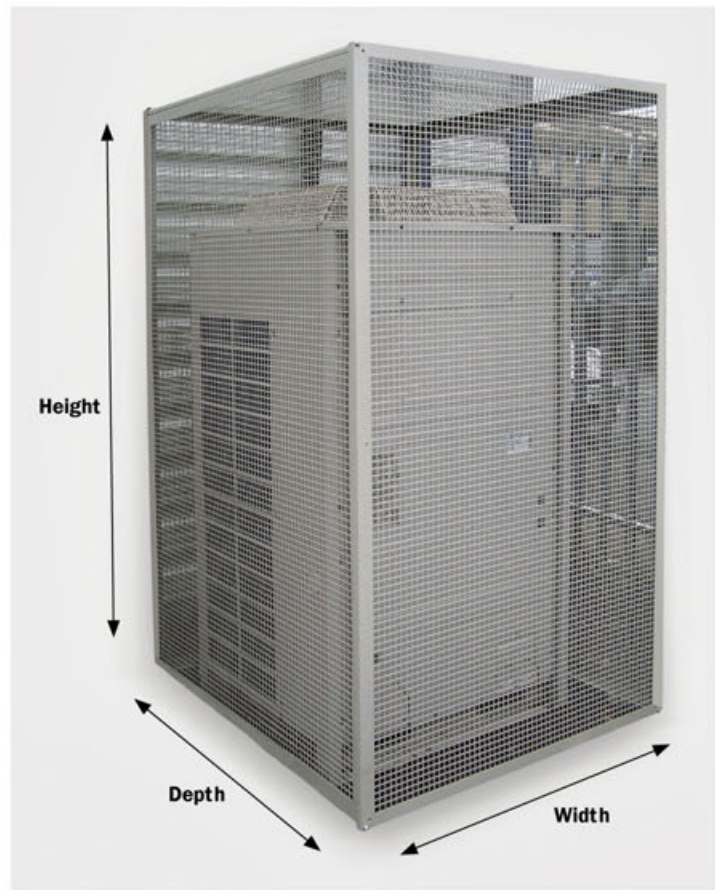

The first flat packed, self assembly guard for protection of outdoor VRF / VRV units. These guards protect the unit against vandalism and accidental damage. The base pack suits single VRF / VRV units; any number of extender packs can then be added to the base pack for multiple-unit installations. All sliding panels can be easily removed to maintain the unit.

**Features:**

- Unique sliding panel system
- All panels can be removed
- Flat packed with all components
- 12 month warranty
- Salt spray tested to replicate 10 years in use
- All cages are pre-galvanized steel with a polyester powder coating
- Avoids high cost fencing and fabrication on site
- Suitable for all models/brands of VRV/VRF units
- Floor-mounting
- Reversible floor fixings can be located inside or outside the guard

**Package Includes:**

Front Panel (1), Top Panel (1), Back Panel (1), Side Panels (2), Support Arms (4), Mounting Feet (4), Bolts, Spring Washers, Anchor Bolts and Allen Key
